Data Enhancement

Fill in the gaps in your existing database and gain access to several decades of increased intelligence including contact details and demographic attributes.

Address Appends — Locate and add the best address for alumni/donors to your current database. This service also provides name updates.

Phone/Cell Phone Append — Enhance outbound calling efforts by adding the most accurate telephone number, be it landline or mobile.

Email Append — Utilize a multi-channel approach to fundraising initiatives by adding email addresses for your alumni or donors.

Social Media Append — Continue the conversation online by adding social IDs for more than 30 popular social media sites to your alumni/donor database.

Date of Birth Append — Add an additional layer of supporter identification with the addition of the individual's full date of birth.

Deceased Append — Prevent unwanted solicitations by removing the names of deceased individuals from your campaigns.

Demographic Append — Add value to current records through the addition of valuable demographic elements including age, income, number of children, and more.

Employment Append — Explore the professional side of your alumni or donors with employment data and matching gift information.

AlumniFinder Search
